**Rev. Dr. Gordon Smith Marketplace Spirituality Seminar**  
**Between Sundays: Spiritual Formation ~~at~~ the Marketplace**  
**through**

**Gordon T. Smith** (PhD) is the president of reSource Leadership International, an agency that seeks to foster excellence in theological education in the developing world. He has previously served as the Vice President and Academic Dean of Regent College in Vancouver, Canada, where he also taught Spiritual Theology (and he continues to teach part time at Regent). Gordon's research, writing and teaching are in the areas of systematic and spiritual theology. His particular area of interest is the theology of religious experience and in this connection he has published a number of works such as *A Holy Meal*, *Beginning Well*, *Listening to God in Times of Choice*, *The Voice of Jesus*, and *Courage and Calling*.

What does it mean to speak of our work — particularly in the world of business and commerce — as the sphere of God's transforming work in our lives?

This seminar will consider two inter-related questions. First, we witness to the glory and grace of God not merely at work but specifically **through our work**. Our work is the very means by which we bring praise to God and witness to the reign of Christ. Second, our work is a sphere of God's redemptive work in our lives. Primarily **through our work**, rather than through religious activities at the workplace, God is at work forming us into the image of Christ Jesus. We will speak, then, of how work is an integral dimension of Christian spirituality.
